MINNESOTA BULLETIN NO. 190-5-22

**SUBJECT: ECS – NOMINATION FOR THE USDA FOREST SERVICE NATIONAL URBAN
AND COMMUNITY FORESTRY ADVISORY COUNCIL**

Action Required by September 30, 2005

Purpose. To do distribute nomination information for the USDA Forest Service National Urban and Community Forestry Advisory Council

Expiration Date. September 30, 2005.

The USDA Forest Service is looking to fill some vacant positions on the National Urban and Community Forestry Advisory Council. The Council serves in an advisory capacity to the Secretary of Agriculture on the urban and community forestry program.

This is an excellent opportunity for District board members, RC&D council members and local forestry leaders to help shape policy at the top level of government in urban and community forestry. If you know of someone who is passionate about local forestry concerns this is an opportunity to help set the national agenda.

Feel free to distribute the nomination packet to SWCD board members and employees, RC&D council members, local forestry committees and other individuals who you think might be interested in this opportunity.

For more information about this bulletin contact Ginger Kopp, State Forester.
